The screenshot shows the ListWire website interface. At the top is a navigation bar with the 'listwire' logo and links for 'home', 'features', 'about us', 'login', 'sign up', and 'support'. Below the navigation bar is a login section with fields for 'username' and 'password', and a 'login' button. The main content area is divided into two columns. The left column, titled 'client testimonial', contains a section 'Something to share' with a quote from Roger Bjornerud, a small photo of him, and his name and website URL. The right column features a large headline: 'Why Would You Pay Hundreds, Or Thousands Of Dollars Per Year, When You Could Be Getting Your Autoresponder For Free?'. Below the headline is a video player with the 'listwire' logo and a 'click play' button. At the bottom of the page is a large 'Signup Now!' button with the text 'click here to' above it and 'it's fast, and it's free!' below it.

Something to share

"List Wire works great if you have something to share with other people. List Wire can also be shared with other people, and I give away free accounts on a daily basis to other Internet Marketers.

Having your own autoresponder is essential and it's better to start with the best free autoresponder available (List Wire), than to pay \$29.00 monthly while you learn how to use your autoresponder.

I'm very satisfied with List Wire and I am sure you will be too. Have Fun! :)"

I was sceptical at first.

"Then I saw my list building explode exponentially overnight from this free service. It has so many more bells and whistles built in than one would think from an autoresponder. It's like a traffic generating machine. You made me a true believer."
