The screenshot shows the ListWire.com website interface. At the top, the 'listwire' logo is on the left, and a navigation bar contains links for 'home', 'features', 'about us', 'login', 'sign up', and 'support'. Below the navigation bar is a login section with 'username' and 'password' input fields and a 'login' button. The main content area is divided into two columns. The left column, titled 'client testimonial', features a section 'After 8 Years of Testing' with a quote from Mick Rush, a small photo of him, and his contact information. The right column has a large heading 'Why Would You Pay Hundreds, Or Thousands Of Dollars Per Year, When You Could Be Getting Your Autoresponder For Free?' followed by a video player. The video player shows the 'listwire' logo and a 'click play' button. At the bottom center, a 'Signup Now!' button is highlighted with two red arrows pointing towards it from the left and right. The button text includes 'click here to' above 'Signup Now!' and 'it's fast, and it's free!' below it.

After 8 Years of Testing

"I can honestly say I have found the best free Autoresponder tool on the net. Trust me I know as I have been testing free AR's for 8 years and nothing compares to Listwire, This is an amazing tool that works for your business from day one. Not only that its so easy to use and great support in the listwire forum

I could go on and tell you what AR's not to use. I have tried them all, I even hosted my own on my domain, Not recommended lol This is the best online by a long shot. So Thanks

Peace"
