

No Cost Freelancing

Part 4: Micro Job Sites

No Cost Freelancing – Micro Job Sites

- Micro job sites or small gig sites aren't full blown freelance sites.
- They are an excellent way to kickstart your freelance career or income.
- Provide small tasks that you can get paid a smaller fee for.
 - For example writing one article instead of 10 or 20.
 - Creating one logo instead of multiple ones.
 - Create a short testimonial video.
 - Do keyword research
 - Design ebook covers
 - Install Wordpress
 - Install a support desk
 - Transcribe a short audio file
 - Give advice
 - Create PDF files
 - Do research
 - Master audio tracks
 - Teach lessons
 - Send video message
 - Paint/Draw
