

No Cost Video Marketing

Part 1: Overview Of System

No Cost Video Marketing – Overview

- Find a niche with hungry buyers.
- Create several short videos helping your target market.
 - Answer their biggest questions.
 - Offer practical solutions.
 - Give them a resource to resolve their problems.
- Key to this system is creating a large amount of videos targeting different keywords.
- Provide a link below the video to get them onto your email list.
- Send them to a presell page for an affiliate offer or your own product.
 - Use the description to provide the link.
 - Include the easy to follow link at beginning and end of the video.
- Find more topics to create videos around.
- Monitor your results.
 - Video views, clicks on your link, affiliate sales or email subscribers.
- Repeat for another niche market.
