

No Cost Affiliate Marketing

Part 5: Important Final Points

Affiliate Marketing: Important Final Points

- Focus on list building on your affiliate site.
- Building your list will give you potential for sustainable online income.
- Can reduce chance of getting flagged for affiliate marketing on free sites.
- Free websites and blog solutions we recommend can shut you down.
- You don't control what happens.
- Once you see revenue generated you should get a domain and self hosted site.
 - Again, you can wait until money is generated.
- This will ensure your chances of long term survival and success.
- Domains
 - GoDaddy.com
 - LifeDomains.net
 - NameCheap.com
- Hosting
 - HostGator.com
 - Bluehost.com
- Be consistent with your promotional efforts. Can't stress this enough.
- Have fun!
